Eric, Rene, Jennifer –

I can attest that the complete PDF report will be “too big”; we will send by disk with the printed pages. As for manipulable electronic format, does this mean that you wish the tables and the appendices (as much as possible) to also be provided in an electronic format? Not a problem, just want you to get what you are requesting.

Kevin,

Thank you for forwarding. We also need an electronic version of the complete report with all tables, figures, appendices etc. in pdf and also in “manipulable electronic format” --- preferably in Word. If the files are too big to email you can send us a disk.

Eric

Eric, Jennifer, and Rene –

Attached please find the final YVD Residential Well Sampling Report, revised per the comments provided by EPA in their February 14, 2014 letter to YVD. As requested by EPA, instead of providing an entire paper copy of the revised report, ARCADIS is providing electronic replacement pages of those that are modified based on the comments. ARCADIS will provide three (3) sets of replacement paper pages via FedEx for your paper copies.

We have also included a formal response to comment letter documenting our acceptance of the

requested changes.

If you have any questions, please call me.
